LinkedIn has great tools to help students find jobs and internships.
Get in. Get going.

Join hundreds of millions of people. Create your professional online presence today at linkedin.com.

Already on LinkedIn?

Some quick tips:

• Make sure your profile has a detailed and convincing “Summary” section
• Use key words recruiters search for. View profiles of people in the jobs you want for ideas
• Complete sections for students like Education, Courses, Certifications, and Volunteer Experience & Causes
• Explore possible career and academic paths with the Alumni Tool (linkedin.com/alumni)
• Check out the Student Jobs Portal (linkedin.com/studentjobs)
